

THE FLOATING CLASSROOM

Lessons aboard the Begonia Princess Ferry

Explore the lake with 360 degree views aboard the exciting Floating Classroom. Flex your artistic muscles with the activities below.

While sitting in the middle of beautiful Lake Wendouree, use the watercolours, paper provided and show the amazing views that you see.

Or take a water sample and look at it using the USB microscope.
Draw what you see.

Download and print a map of Lake Wendouree, Ballarat, before you visit and add in what you see as you travel around the sites. Google Maps Lake Wendouree.

All resources and equipment is supplied on the ferry for your convenience.

For further information about cost and booking of the Floating Classroom refer to ferry website. <http://www.begoniaprincess.com.au/>
